

Public Notice of Applications for 401 Certifications and/or Waste Discharge Requirements Authorizing Discharges of Dredge or Fill to waters of the U.S.

May 2007

Last updated May 31, 2007

Project Name:	Tract 16545
File Number	302007-05
Applicant:	California Cove Communities, Inc.
Agent:	PCR Services Corporation
Receiving Water:	Tributary to Weir Canyon Creek
This project involves construction of 21 single-family homes on 10.65 acres of street and pad area. The remainder of the site will remain natural open space. 11 acres of impermeable membrane will be installed under the site to prevent infiltration of contaminants. The project site is located at the westerly extension of Avenida de Santiago or near the intersection of Serrano Avenue and Hidden Canyon Road in the City of Anaheim.

Project Name:	Hampton Inn Project
File Number	332007-20
Applicant:	MPJDesai, Inc.
Agent:	LSA Associates
Receiving Water:	South Norco Channel
This project includes construction of a three story, 82-unit hotel with a pool, parking lot, and appropriate landscaping. The project also includes installing an 18-inch storm water outlet to the South Norco Channel. The project site is located north of First Street at 1530 Hamner Avenue in the City of Norco.

Project Name:	SCREC Rodent Control Fence
File Number	302007-06
Applicant:	UC Regents, Office of the Secretary of the Regents
Agent:	Glenn Lukos Associates
Receiving Water:	Un-named ephemeral stream tributary to Bee Canyon Wash
This project involves removing and installing a new chain linked fence for rodent control. The project site is located along the northeast boundary of UC Regents' South Coast Research and Extension Center bounded by Irvine Boulevard to the southwest, Ridge Valley to the northwest, residential development to the northeast, and Modjeska to the southeast in the city of Irvine.

Project Name:	Tract 32786
File Number	332007-21
Applicant:	Centex
Agent:	Glenn Lukos Associates, Inc.
Receiving Water:	Ephemeral drainage system
This project involves construction of 368 single-family residences on 79.2 acres, 33.5 acres of local streets and 39.1 acres of open space. The project site is bounded by Terra Cotta Road to the west, residential homes to the north, Dryden Street to the east, and Lakeshore Drive to the south in the City of Lake Elsinore. Construction will involve the discharge of fill to isolated waters of the State that are not subject to Clean Water Act Section 404. This project will require the issuance of waste discharge requirements by the Santa Ana Regional Water Quality Control Board.
